 MEDIA

JEAN CRISS
 Visible Media-preneur with demonstrated success in developing creative digital media content providing data-driven strategies, B2B/C ad campaigns, program management, experiential brand activations for leading companies in retail, healthcare, services, hospitality, culinary, auto, luxe sectors, and others. Proven success across sales, marketing, leadership, and innovation.

As a visionary, innovation-driven digital media strategist, entrepreneur and author/content creator with 15+ years experience leading and growing award-winning digital services as the media services consultant and executive, you will benefit from my 15+ years with proven results and ability to help them succeed.

Are you currently seeking new clientele to help you grow your business? I can help you with consulting, digital/social media, content creation, writing, publishing, start-up ideas, branding, and production services, social media strategy, and goal for creation, innovation, and growth.

SUGGESTED TOPICS:

- Entrepreneurship: Business, Consulting, Startups
- Publishing: Author/Collaborator/Designer/Writer
- Fashion: Design, Sourcing & Manufacturing
- Tech: Innovation/ Product Design & Development
- IP/VO Patents & IP Management (OTM)
- Leadership, Mentor & Coach

SUGGESTED DISCUSSIONS:

- How to Transition from Corporate Workplace to Small Business Entrepreneur
- How to put Products and Ideas into Play, making it a success story
- How to Persevere with Resilience and Positivity to make Change Happen in your business
