(NEW YORK, September 28, 2017) -- G-PMC Group, LLC announced it has approved CRISSCROSS Intimates, LLC (<https://crisscrossintimates.com>) for the quality management certifications of ISO 9001:2015, ISO 13485 and CWOB 9009: 2013. [G-PMC](#) Group is federally recognized and accredited by the American Board of Accredited Certifications ([ABAC](#)), the leading independent accreditation board in the United States with association members, signatories, regional accreditation groups, and international observer organizations. ... ABAC accredits certifications based on the fundamental principles of accountability, ethical conduct, and commitment to quality.

[G-PMC](#) determined that the quality management system of CRISSCROSS Intimates meets customer

requirements, and its management and employees have clearly demonstrated a commitment to the success and sustainability of the company while meeting the quality standards of the International Organization for Standardization ([ISO](#)).

[CRISSCROSS](#) is a certified woman-owned business specializing in the innovative design and manufacture of intimate apparel for those during any stage or phase of post-operative breast surgeries including and not limited to single or bi-lateral lumpectomy, mastectomy, augmentation or reconstructive surgeries for women and men, Gynecomastia surgery for men as examples.

[ISO](#) is an independent, non-governmental international organization with a membership of 162 national standards bodies. Through its members, it brings together experts to share knowledge and develop voluntary, consensus-based, market relevant International Standards that support innovation and provide solutions to global challenges. Companies worldwide, particularly manufacturers certified to ISO standards are considered to be among the highest quality organizations in the world, and recognized as leaders in their respective industry.

*"While there are various undergarments on the market today sold as "Mastectomy" Bras, what I found over the years, first through my recovery, and then through market research, blogging and talking with other Survivors is that many garments are called that but do not offer sufficient support for the needs of post-op Breast Cancer Survivors at large,"* said Jean Criss, Founder and CEO of [CRISSCROSS Intimates](#) and ten-year breast cancer survivor.

*"We have reviewed and approved the [CRISSCROSS Intimates USPTO utility-patented innovation of post-surgical designs, business strategy and practices and received various client testimonials about the \[CRISSCROSS\]\(#\) brand with strong leadership, entrepreneurial spirit and passion at the helm to provide leading-edge products in the global marketplace,"](#)* said Daryl Guberman, President and CEO, [Guberman-PMC, LLC](#).
